Newsletter

As we approach the summer holidays our thoughts turn to those young people leaving school and getting their results this summer. It can be a confusing and uncertain time for young people. Are they making the right choices? Will their new course lead to where they want to be? What will it be like doing something different to their friends?

Here at the Careers team we will be available throughout the summer to offer support to anyone 16-19, we will be in the Skills Hub Tuesday to Thursday from 10am until 5pm as well as the Nunsmoor Centre every Monday afternoon from 2pm until 4.30pm.

This newsletter has lots of useful information for school leavers and those needing exam results support. There is information on education and training courses starting in September, support available to school leavers throughout the summer and open events during the summer holidays.

If you wish to keep receiving copies of our newsletters, please [click here](#) to complete our quick sign up form. From September, if you are not on our mailing list we will not send future newsletters to you.

Opportunities

Create Your Future

We believe we are a great choice for Sixth Form life and progression. On offer we have around 30 A Level and BTEC subjects to choose from, dedicated 'Sixth Form only' facilities and study areas, plus a fantastic support team on hand to help you achieve your goals and aspirations.

Last year, in addition to our own students progressing into Sixth Form, we welcomed a record number of external students from other schools in Newcastle and beyond. You are sure to find a warm welcome waiting for you.

Our enrolment into Sixth Form will take place in school on 25th August 2023. However, we urge all students looking to join us from other schools to register your interest with us now by completing our online form. On submission of the form, our Sixth Form team will contact you to discuss your ambitions, the next steps and will invite you to come and visit us to meet the team and see our facilities.

We look forward to meeting you!

Opportunities

NCFE Health and Social Care, Children and Young people

This qualification will develop the knowledge and awareness of the types of provision in the Health, Social Care and Children's and Young People's sectors. It includes the roles played by workers, from principles and values through to health and safety and working with others. There is the option to take units in more specialised areas such as learning disability, sensory loss or mental health.

The qualification:

- is aimed at learners who wish to develop an understanding of these settings before deciding whether working in the sector is for them
- allows learners to gain the knowledge, understanding and skills required for employment and/or career progression in the sectors
- allows learners to tailor their learning to their interests through the provision of a broad range of optional units
- provides opportunities for the development of transferable skills
- supports progression to Level 2 qualifications in health, social care or children's settings
- provides learners with the opportunity to progress to employment, in due course, in a range of job roles in the care sectors

GET INTO HIGHWAYS (CONSTRUCTION)

Enrolling at Newcastle College

It's nearly time for your child to enrol at Newcastle College! Once they've made an application to study with us, they'll be invited to campus to become a Newcastle College student.

Our enrolment dates are from 24 August to 1 September 2023

If your child is still thinking about their options, we're here to help. If they've not made an application or want to make sure the course they've applied for is right for them, they can still come along to enrolment and our friendly teams will be on hand to support them.

More information will be available on our website soon. To find out more about Newcastle College in the meantime, head to ncl-coll.ac.uk or scan the QR code below.
